Vanessa Perske - Illustrator

Vanessa is a widely acclaimed self-taught artist. Vanessa is obsessed with bright lashings of colour and loves to make a big mess while splashing, pouring and flicking paint.

For Vanessa, artwork must be fun and colourful and really make you feel good when you observe it.

Events of everyday life will repeatedly catch Vanessa's attention and her imagination is always bursting full of ideas. As a mother of two, Vanessa draws inspiration from her children's free spirits and playfulness.

Vanessa is a qualified primary school teacher who believes there is no right or wrong in art.

It should be a whole lot of fun.

Georgina Robertson - Storyteller

Georgina trained in 'Theatre Arts - Performance' prior to teaching, and worked in schools throughout the NT and Qld. She specialises in teaching educational concepts through the medium of theatre and drama.

Georgina continued to incorporate theatre and drama throughout her teaching career, bringing a touch of silliness to everyday school life. Georgina's storytelling enables children to "jump" into the book and become part of the story! For Georgina, children are not an audience; they are active participants in bringing stories to life. Through movement and sound the words and pictures are lifted off the pages.

Storytelling with Georgina is exhausting fun.
